1. Introduction

The selection and appointment of principals are conducted according to the policy of the Ballarat Diocesan Schools Advisory Council.

Each Catholic Primary School Principalship is a contract position as outlined in the Victorian Catholic Education Multi Employer Agreement 2013.

You should note that the current school enrolment determines the salary structure for the contract period. The relevant salary bands for school principalships advertised in this diocese in August 2017 are as follows:

School	Current Enrolment	Current Salary Level & Range
St Mary's Primary School ARARAT	181	Within the range: Level 2 \$125,353 – \$130,188 p.a.

Relocation support will be provided for principals moving into the Diocese or between primary schools within the Diocese.

2. The Diocese of Ballarat and Child Protection

“The Catholic Diocese of Ballarat is committed to providing a safe and supportive environment for people of all ages, with special concern for children, young people and vulnerable adults.” (Diocesan Professional Standards Policy Statement, 2014).

In schools in the Diocese of Ballarat, child safety policy and practices support a proactive role in the care, wellbeing and protection of children and young people, the provision of child safe environments and intervention procedures for responding to abuse and neglect.

3. General Principles for Selection and Appointment

The Canonical Administrator, the School Advisory Council (or its equivalent) and the Catholic Education Office are the responsible parties in the matter of selection and appointment of principals in schools other than those owned by religious orders. Each appointment requires the ratification of the Bishop of Ballarat.

The Canonical Administrator is the employer; the School Advisory Council represents the local community; the Catholic Education Office is the coordinating body ensuring that appointments are made according to diocesan policy, professional procedures and legal requirements.

In normal circumstances, principal appointments will be made by the Canonical Administrator after positions have been advertised and applicants interviewed by a selection panel. All proceedings of the selection panel shall be strictly confidential and no information gained from applicants shall be divulged to any person or organisation outside the selection panel.

4. Requirements for Principalship

The requirements for principals in the Diocese of Ballarat include:

- Membership of the Catholic Church and regular participation in the sacramental life of the faith community.
- An understanding of and demonstrated commitment to Catholic Education
- A period of recent experience in a leadership role within education
- Academic qualifications additional to teacher training and/or successful participation in appropriate post-graduate professional development activities. eg. Leadership, Theology/Religious Education.
- Registration as a teacher with the Victorian Institute of Teaching. (For interstate applicants, demonstration that you meet the requirements and are pursuing this).
- Normally a minimum of ten years relevant experience in education.
- Accreditation to Teach Religious Education in a Catholic School (CECV Policy 1.7).
- Completion of a successful criminal records check (this will be carried out, when required, by the CEO).
- Completion of a declaration, according to the requirements of the Victorian Registration and Qualifications Authority, regarding freedom from bankruptcy.
- A demonstrated commitment to personal and professional development.

These requirements need to be evidenced in your application to be considered for a local selection panel.

5. Selection Criteria

The selection criteria for this position are outlined in Attachment A of the Application Form.

Applicants are also invited to visit the school website at www.smararat.catholic.edu.au.

6. Suitability and Eligibility

Application Process

- Applications will be reviewed for suitability against the selection criteria by the Director of Catholic Education and the relevant Education Consultant prior to being approved for the local panel. This review will include checking the demonstrated aptitude and experience for leading across the five Key Aspects of Catholic Schooling (See Overview in Section 11 of this document.)
- All applicants who satisfy both the eligibility and suitability criteria for the Local Panel Interview will be notified by the CEO HR Manager.

Ratification

A process is in place that provides to the Bishop assurance that the applicant is a fit candidate for Principalship and to seek the Bishop's ratification in principle. This would involve verification that the applicant meets the criteria for the position of Principal to a sufficiently high standard through the checking of references and other inquiry.

Recommendations for ratification are forwarded to the Bishop prior to the Principal Selection Panel. The Bishop makes a decision on the applicant's eligibility and suitability and sends a letter to the Director.

Interviews

There is a two stage interview process for principalship in the Diocese of Ballarat.

Interview dates: 9th October, 2017.

7. Principal Selection Panel

The Panel usually consists of:

- The Governing Authority
- The nominee of the Director of Catholic Education, normally the Educational Consultant for that school
- The Chair of the School Advisory Council or another member of the parent community nominated by the Governing Authority
- A parent of current students or a member of the parish with appropriate connections with the school
- An educational colleague with current or recent experience as a principal

8. Principal Selection Process

It is the responsibility of the Principal Selection Panel to carry out short-listing of candidates using the stated criteria and taking into account the context and needs of the school.

Short-listed candidates are contacted and advised of the interview time and location.

Following interviews and reference checks, the panel discerns a recommendation to the Canonical Administrator regarding the preferred applicant.

The Canonical Administrator contacts the successful applicant and offers the position. After the offer has been accepted and the Director of Catholic Education is notified, all unsuccessful applicants are contacted and an opportunity is provided for them to debrief.

The Director notifies the Bishop of the appointment.

The principal appointment process shall be finalised when contractual arrangements have been completed between the Canonical Administrator and the successful applicant.

It is customary that public announcements of the appointment are coordinated to occur concurrently in the new school and the community which the appointee will be leaving.

9. Reference Checking

Applicants will need to obtain references using the reference forms provided.

- a. **PARISH PRIEST** of the parish in which you worship. (This reference is not required if the Parish Priest is also the Governing Authority of the school where you currently work)
- b. **GOVERNING AUTHORITY** of the school in which you work.
- c. **CURRENT OR FORMER PRINCIPAL** for whom you have worked (or another suitable colleague)
- d. **PROFESSIONAL COLLEAGUE**

The panel has an obligation to obtain as much credible information as possible about each of the candidates in order to make an informed decision. In addition to the references supplied, the panel may choose to contact others, such as School Advisory Council Chairperson, Educational Consultant, Deputy Principal, Colleague or other Principal.

In seeking information, confidentiality and sensitivity to the particular situation of the applicant (eg. current principal in small country centre) are carefully observed.

10. Contracts Conditions and Periods

A. Primary School Principalship

For St. Mary's Primary School, Ararat an initial contract period will be negotiated with the successful applicant.

Each Catholic Primary School Principalship is a contract position as outlined in the current Victorian Catholic Education Multi Employer Agreement 2013 (or its equivalent).

Each principal appointment requires the ratification of the Bishop as well as a signed contract. This contract, prepared by the Director of Catholic Education on behalf of the Canonical Administrator, sets out, in general terms, rights and responsibilities.

In accepting a Principalship within the Ballarat Diocese the principal agrees to participate fully in the Ballarat Diocesan Principal Induction Program and the Formative and Summative Review Programs.

Principal salaries in the Diocese of Ballarat are calculated in accordance with the Victorian Catholic Education Multi Employer Agreement 2013 (or its equivalent). Clauses 59-63 of the Victorian Catholic Education Multi Employer Agreement 2013 (or its equivalent) applies for incoming principals with previous experience.

The usual contract periods will be an initial contract of seven (7) years followed by the possibility of further contract periods of five (5) years. Further contracts are at the sole discretion of the Governing Authority and diocesan processes of review and appraisal apply prior to each negotiation of a new contract. In the event of a change of employer it is understood that the contract will serve its term and the rights and responsibilities will be transferred to the new employer.

If the Governing Authority's decision is not to offer a second or third contract period, the Principal has the right to be given substantial reasons in writing for such a decision. Clause 63 (Salary Maintenance) of the Victorian Catholic Education Multi Employer Agreement 2013 (or its equivalent) would apply in this situation.

13. Key Aspects of Catholic Schooling

This statement outlines the five key aspects of Catholic Schooling, as contained in the Ballarat Diocesan School Improvement Framework. This information can assist with your reflection in addressing the Selection Criteria outlined in Attachment A of the Application Form.

The Catholic school responds to its mission by offering a particular cultural experience that is grounded in a Christian view of the world, of culture and of history. This translates into a Christ-centred ethos and worldview that permeates all aspects of school life including relationships, structures and policies, pastoral care, liturgies, celebrations and routines, as well as the formal curriculum...At the heart of the culture of the Catholic school is an explicit commitment to the promotion of each human person in all their dimensions, capacities and relationships.

"It must never be forgotten that the purpose of instruction is education, that is, the development of the person from within, freeing them from the conditioning which would prevent them from becoming a fully integrated human being. The school must begin from the principle that its educational program is intentionally directed to the growth of the whole person."
