

## School Improvement: External Review

### Event Overview:

Schools that are undertaking the External Review in 2017 will undertake professional learning in developing the School Reflection Report and understanding of the External Review Panel Process.

The professional learning will be centred on developing understanding of multiple sources of data as part of the reflection process and how the leadership within the school leads the process of reflections. A key aspect will be the use and interpretation of the Characteristics of Highly Effective Catholic Schools Reflection Tool.

### Who can participate?

The professional learning is for principals and the leadership team that will lead the reflection process in preparation for the External School Review.

### How the program will be structured?

#### Term 3

One day program

### The professional learning is designed to:

- focus on developing a school based methodology for the school reflection process
- provide clarity in the use of multiple sources of data as part of the reflection process
- familiarization of the Characteristics of Highly Effective Catholic Schools
- understanding of priorities, goals for the School Improvement Plan
- explore school based considerations for the Annual Action Plan
- consideration for CEOB support for the school future directions

The professional learning will allow for system and school dialogue to build understandings of School Improvement.

### What is expected of the participants?

Principals and the leadership team of schools that are undertaking External Review in 2018 are expected to attend.

### Registration:

Registration for this program will be available [online](#) and will close on November 30<sup>th</sup> 2016.

It is important that CEOB is able to determine the actual number of participants which can impact on venue and planning requirements.
